

Presentation Secondary School

Cannon Street

Waterford

Tel. 051 376584

Directions to Presentation School, Waterford

From Dublin

Take the first exit at the roundabout off the M9 and follow directions to Waterford City (South). Turn right at the Railway Station roundabout to cross Rice Bridge. Continue as from New Ross, below.

From New Ross

Cross the bridge into the city in the **right** hand lane

Go straight up Bridge Street (away from the quays). Road swings to the right at about 50m from the bridge

Continue on this road through several junctions and traffic lights for about 1.2km

When you come to a T junction, turn right.

There is a roundabout after approx. 500m, take a right (second exit)

School entrance is on the right hand side about 100m from the roundabout

(You actually pass the school exit before the roundabout)

Via Passage East Ferry

When you come through the 2 roundabouts at the hospital...

The next roundabout is very small. Take the first exit- straight ahead really, past Newtown school.

Turn left at the next set of lights (50m). Straight through next lights, downhill, past church on rhs.

Go through 4 roundabouts. Fourth one has the Regional Sports ground to your left. You need to be in right hand lane at this one to go straight (second exit).

Turn right at next lights, through another set of lights to roundabout (you'll see the school in front of you on a height). Take first exit to left at this roundabout.

School entrance is on the right hand side about 100m from the roundabout

Saint Paul's Church

First left just after the school entrance and the next left immediately after that. Next right at a T junction. Church is on your left hand side about 50m from junction. Parking on both sides.
